

## THE NORTH AND MIDWEST

COMPLETE EACH ACTIVITY AND BE SURE THAT EACH MEMBER OF YOUR GROUP ALSO COMPLETES THE ACTIVITIES.

1. Create a 3 column chart with the following headings Wealthy Families, Middle Class Families, and Poor Families. Under each column describe the lives of each group. Answers should include the types of jobs, the homes, educations, and conditions.
2. Make a list of the innovations that transformed industrial and farm production. Your list should also include a brief description of the innovations effects.
3. Make a list of the concerns that labor unions had. Also include the strategies they used to remedy the problems.
4. Identify the major immigrant groups of the 1830s and describe their characteristics. Also identify the ways that Americans responded to increases in immigration.
